Cutting Instructions

From Fabric A, cut:

one 20" x 50" piece for the front

one 40" x 50" piece for the front

one 58" x WOF piece for the back

Note: For both backing pieces (Fabric A and B), don't worry about cutting to 58" perfectly, use the length that you have which should be at least 58".

From the binding fabric, cut:

six 2-1/2" x WOF strips

Assembly Instructions

1. Sew front panels together with 1/4" seam allowance, pressing seam open. Position the shorter panel on the top or bottom, the order of panels doesn't matter.
2. Sew backing panels together along one 58" edge, pressing seam open.
3. Baste and quilt as desired. *Tip: Any quilting can be used to add another layer of design and interest to this project. Have fun following motifs in the fabric, or create some complementary motifs on your own! Hand quilting or hand tying this type of lawn project will make it super soft and cozy.*
4. Attach binding strips end to end and attach using favorite binding technique.
